Re: *Guerrero, et al. v. Montefiore Health System, Inc. and
CSS Building Solutions Inc.*, No. 22-cv-09194 (AS) (KHP)

02/06/2024

Dear Judge Parker:

We represent the Plaintiffs in the above-referenced matter. We submit this letter on behalf of all parties to request an adjournment of the settlement conference scheduled for February 15, 2024 (ECF No. 66).

The reason for the adjournment is that the parties believe additional discovery, specifically discovery related to the proposed class, is needed before participating in a settlement conference before Your Honor. To that end, Plaintiffs are reviewing the adequacy of recent supplemental document productions made by Defendant CSS, and the parties anticipate conducting depositions within the next month. For these reasons, the parties believe that a settlement conference on February 15 would be premature.

Pursuant to the Court's Individual Rule 3(B), this is the parties' first request for an adjournment of a deadline set in the Court's September 28, 2023, scheduling order (ECF. No 66). No other deadlines are affected by this request.

We thank the Court for its consideration of this matter.

Respectfully submitted,

Vivianna Morales
